FYI – I'm thinking we send a short reply from Monica or Scott letting Jeremy know that we are reviewing (reviewed) the proposed PTC list.

Hi Carl -

I wanted to see if EPA might be weighing in on BLM's proposal to exempt a number of activities in the Upper Green River Basin of Wyoming from general conformity requirements? They published their proposal in the Federal Register at the end of December, <https://www.gpo.gov/fdsys/pkg/FR-2016-12-29/pdf/2016-31631.pdf>. Thanks for letting me know, really appreciate it.
